CONCERT ETIQUETTE

DURING PERFORMANCE, PLEASE ADHERE TO THE FOLLOWING CONCERT ETIQUETTE GUIDELINES:

- Audience members will be expected to remain seated and quiet when the performance is in progress. If it is necessary to arrive late or leave before the concert is over, please do so between musical selections.
- The appropriate way to show appreciation for the performance is through applause. Whistling, yelling or screaming is not appropriate at any time before, during or after a concert.
- Parents will be expected to keep small children seated with them and not allow them to move around during the concert. If very young children become restless and disrupt others' ability to listen, we ask that you please take them from the performance area until they are quiet.
- Please keep a careful eye on the conductor when the music stops to decide whether or not to applaud. Some musical works have extended endings, several parts or multiple movements and the audience will be expected to applaud only after all movements have been performed.
- Please be sure that all cellular phones, pagers, and any other electronic devices are turned off as they can disrupt a performance
