

SEABROOK BAND FIELD TRIP HONOR BAND RECORDING EVENTS – MAY 2024

Hello Band Parents,

Below are the letters/ permission slips for the 4 recording performances that we have in May. Please read through the itineraries carefully. As mentioned in my past email, it's crucial to have the students present at each of the performances since they are being recorded and are potentially being used for our honor band compilation. The Texas Honor Band Competition allows us to submit one recording of each of our 3 pieces from the 4 various performances. The final 3 compiled recordings will go through a rigorous listening contest at the region, area, and state levels throughout the summer. We have a very good chance to make it to the state round according to our Fine Arts Director; those that are ranked at the state round are considered the top band programs in the state of Texas.

UNIVERSITY CONCERTS

SAM HOUSTON STATE UNIVERSITY – HUNTSVILLE, TX – FRIDAY, MAY 3, 2024

The Seabrook Wind Ensemble will be performing at the Sam Houston State University School of Music in the new state of the art James and Nancy Gaertner Performing Arts Center. This is a wonderful opportunity to give the kids a chance to play in an amazing performance hall.

We are so fortunate to have had an amazing fundraiser at the beginning of the semester, in addition with support from our district Visual and Performing Arts Department, the trip is essentially paid for. However, with the cost of the travel and venue being taken care of, we are asking for the kids to assist in paying \$10.00 each to cover the cost of lunch and driver gratuity, which is not covered by the district due to formal restrictions. If you have any financial discrepancies with the request, please contact us by email and we can find a solution.
